**Contributer (IRE) x Altachine  
Bay Filly**

This quality bay filly by Contributor (IRE) was purchased for \$80,000 from Mapperley Stud and profiles as an exciting prospect for the classic three-year-old races. Contributor has firmly established himself as a proven sire of elite performers in New Zealand, including Group 1 winners and high-class performers, and is renowned for producing horses with scope, toughness and the ability to train on with time.

Physically, this filly possesses the scope, strength and athleticism we look for in a classic-type filly. She is well balanced, moves fluently, and has the frame and mindset to continue developing as she matures. Like many from this sire line, she is only going to improve with time and maturity. Her pedigree is deep and proven. She is out of Altachine, from a strong female family that consistently produces durable, quality racehorses. The filly traces back to the influential mare Tristachine, a high-class juvenile and outstanding producer whose descendants include stakes performers and winners at Group and Listed level across New Zealand and Australia. This family is well known for producing horses that train on and remain competitive over multiple seasons.

Overall, this filly represents a genuine value opportunity to be involved in a well-bred, classic-profile racehorse by a proven sire. With time we believe she has the foundations to develop into a competitive racehorse, and we're very much looking forward to what the future holds with her.
